## A Bright Idea from TCC

Kids Heading to College?  
800 Service Makes it Easy &  
Affordable to Call Home

An 800 number with TCC is **FREE** and allows you to enjoy the advantages and convenience of having a toll free number! Your family and friends can benefit from the ability to call you anytime, anywhere in Canada & the U.S. without having to pay a cent! No set up fees or monthly charges apply. You pay only when someone dials your toll free number, and the amount you pay depends on the long distance plan you subscribe to. That can mean calls as low as 1.9 cents/min from Canada and the U.S. A much cheaper alternative than calling collect!

Contact TCC for further details or to set up your toll free number today!

## \*June brought many thunderstorms to the area. Just a reminder to unplug your telephone & electrical equipment

When a thunderstorm is in the area, please disconnect the following equipment from any telephone and electrical outlets.

**Please Remember to Disconnect:**

- **Cordless Phones**
- **Fax Machine**
- **Computers**
- **All Customer Owned Equipment**

A \$45.00 trouble charge applies when a service technician investigates a trouble at your home or business which is determined to be caused by customer owned equipment.

If your line is out please disconnect all of the above equipment including any security systems to see if this restores your line before you call our repair service.
