

# Huron County... Wait No More!

TCC Is Now Offering **High Speed Internet**

Straight To **YOUR** Door

The Wait is Finally Over -

Huron County can now have High Speed Internet!

Tuckersmith Communications is now taking part in the Huron County High Speed Broadband initiative.

Through the use of Wireless High Speed Technology, Tuckersmith Communications is now offering wireless service at speeds up to 1.5 Mbps download and 512 Kbps upload.

If you're tired of waiting around on a dial up connection and tying up your phone line, or are interested in first time internet access give us a call and sign up today!

*~ TCC - Proud to be a Part of the Huron County Broadband Initiative ~*
